

INVITATION: AIR QUALITY VIRTUAL PUBLIC CONSULTATION SESSION

Dear valued stakeholder

You are cordially invited to a virtual public consultation session on air quality matters as a condition stipulated in the Atmospheric Emission License (AEL). The session will focus on Sasol Secunda Operations' performance and progress made on the air quality improvement roadmap, including our offset implementation plan.

The details of the session are as follows:

Date: 18 January 2022
Time: 14:00 - 17:00
Location: [Click here to join the session](#)
