

**SAFETY, HEALTH  
AND ENVIRONMENT**

**Heavy Mobile Equipment (HME)  
Task executor learnings**

Always comply with the life saving rules to ensure that team members are not exposed to any hazards when operating or working around heavy mobile equipment.

I will always use the assistance of a competent person to conduct lifting operations.

I will not conduct work outside my scope of work.

I will always keep a safe distance from HME that is in operation.

I will stay alert and take care of where I place my hands.

I will not accept assistance from a person who is not trained to assist me.
